

NOTICE OF POSTING TO THE ENVIRONMENTAL REGISTRY FOR OTTER CREEK WIND FARM PROJECT

Project Name: Otter Creek Wind Farm Project
Project Location: Municipality of Chatham-Kent, Ontario
Notice Dated at: Chatham-Kent, the 12th of July, 2017

Applicant: Otter Creek Wind Farm Project (the Project) is being proposed by Otter Creek Wind Farm Limited Partnership (Otter Creek), a partnership of Renewable Energy Systems Canada (RES Canada), Boralex Inc., and Walpole Island First Nation. The Project is also grateful to have received support from the Municipality of Chatham-Kent which has been granted an option to participate in the Project after commercial operation commences.

Project Description: As a renewable energy facility, the Project is subject to the provisions of the *Environmental Protection Act* (the Act) Part V.0.1, and Ontario Regulation 359/09, as amended, (the Regulation). The Project requires a Renewable Energy Approval (REA) from the Ontario Ministry of Environment and Climate Change (MOECC) prior to construction. If approved, the Project would have a total maximum nameplate capacity of up to 50 megawatts (MW). As identified in the Act and the Regulation, the Project is considered to be a Class 4 wind facility. The location of key project components is shown in the map below. Additional information about the Project is available on Project website: www.ottercreekwindfarm.ca.

Environmental Registry Posting: This notice is being published in accordance with Sections 15.1 and 15.2 of the Regulation following posting of the Project on the Environmental Registry (www.ebr.gov.on.ca) under number 013-1043 on July 7, 2017. In accordance with the Regulation, Otter Creek has made copies of all final documents available for public inspection online on July 12, 2017 at: www.ottercreekwindfarm.ca. Questions or comments about the Project can be submitted to Nick Colella, Senior Project Evaluator at the MOECC by using the contact information provided on the Environmental Registry by August 21, 2017.

Project Contact Information: To learn more about the Project or to provide feedback, please contact:
